TANK to run shuttle for KSO Summer Concerts

July 6, 2010 – Covington, KY -- TANK will provide a free shuttle for the 2010 Kentucky Symphony Orchestra Summer concert series. The first concert is Sunday, July 10th at 7:30 p.m. The shuttle will operate for each concert from Covington Catholic High School to the Amphitheater at Devou Park.

The shuttle is being provided free as a community service partnership between TANK and the Kentucky Symphony Orchestra.

“The KSO concert series provides a great way for families to gather and enjoy time together,” said Andrew Aiello, TANK General Manager. “We are happy to do our part by providing the shuttle transportation to help with parking difficulties in Devou Park. TANK buses are a lower-cost alternative for commuting and events like these provide a great way for people that have never used TANK to try us.”

The free concert shuttles will operate from 6:00 p.m. until 7:30 p.m. before the concert and return trips will begin immediately after the concert is over.
