TRANSIT AUTHORITY OF NORTHERN KENTUCKY

POSITION DESCRIPTION

January 2018

Position Title: Manager of Buildings & Grounds

Dept./Division: Maintenance

Reports to: Director of Maintenance

FLSA Status: Exempt

---

**JOB SUMMARY:**

The Manager of Buildings & Grounds is responsible for maintaining Authority buildings and grounds in top condition to ensure full and productive use of Authority facilities. Fosters a team environment; develops time standards and new processes to enhance the reliability and appearance of the facilities and grounds.

**EDUCATION/EXPERIENCE REQUIREMENTS:**

- Minimum Associates Degree or equivalent in building maintenance technology, business or related field or any equivalent combination of education and experience that would provide the above noted knowledge, skills and abilities.
- Minimum four (4) years of facilities maintenance experience involving the maintenance and repair of buildings and grounds.
- Minimum two (2) years of experience in supervisory or management. Supervisory or management of building and grounds maintenance employees in a union environment preferred. Ability to develop work standards, SOP (Standard Operating Procedures), troubleshooting checklist; and develop effective countermeasures to prevent future failures.
- Knowledge of the occupational hazards and safety precautions involved with the maintenance, repair, and operation of buildings, grounds, and operating systems.
- Knowledge of management principles and practices, including optimum use of human and material resources.
- Ability to effectively interact with staff, department heads, the public, and contract services providers.
- Ability to communicate effectively, both orally and in writing.
- Strong problem solving and conflict management skills.
- Desire to continue professional development.
- Ability to keep abreast of new information, innovative ideas and techniques.
- Ability to work with computers and standard business/office software.
