PROJECT RAMP is a community foundation that was formed in 2012 to give financial assistance to registered RAMP users that find it difficult to personally fund their transportation on RAMP. The foundation will give financial assistance to RAMP passengers that financially qualify for the assistance and are approved through the application process. Primary funding is through the generosity of the TANK employees.

Who the Foundation Helps
RAMP is the Regional Area Mobility Program, which provides ADA transportation operated by the Transit Authority of Northern Kentucky, to residents of Boone, Campbell and Kenton counties. The fare for the service is $2.50 a ride, which some riders find cost prohibitive, making it difficult to make trips to employment and for medical needs. PROJECT RAMP is a funding program offering financial assistance to cover a portion of this fare.

Community Foundation of Northern Kentucky
PROJECT RAMP is administered by the Community Foundation of Northern Kentucky (CFNKY), a nonprofit 501(c) (3) organization that benefits the people of our region by addressing the need for improved health, social and educational services in our community.

Deadline: FRIDAY, January 8, 2016 AT 5 PM
This assistance is based on financial need and other criteria.

To be eligible for consideration, the applicant must first qualify under the 2015 United States Poverty Guidelines.

Household members are those family/related members you live with in the same home.
