Know your route number, departure time and location and your destination.

Arrive at your bus stop five minutes before your bus is scheduled to arrive. If a bus stop serves multiple routes, make sure to look at the bus header on the front of the bus to ensure you are boarding the correct one.

Have your fare ready. Pay your fare and remember to request a transfer from your driver if you need to ride more than one bus to reach your destination.

Signal to stop by pulling the passenger signal cord. The cord is located across the middle of the windows. Please signal at least one block before your stop.
